THE Main DISH

APRIL 2025-26

Pittston Area School District

April was a month full of celebrations. We decorated our serving lines with festive Easter décor and hosted a special breakfast to honor our Students of the Month for February through April. Donna, our Middle School Kitchen Lead, and Mr. Bilbow, Middle School Principal, also celebrated their birthdays in style, thanks to the thoughtful efforts of our staff. We marked Earth Day by offering students the chance to try a variety of lentil-inspired recipes featured on our salad bars and serving lines. We also introduced new black-bottom bowls, helping the vibrant colors of our salads stand out even more.
